Principal's Report

Parent Helper Morning Tea

The staff at EBPS prepared a delicious morning tea yesterday in honour of our parent and community helpers. Our school is very lucky to enjoy the ongoing support of so many parent volunteers. On any day, I can walk around the school and see parents – mums and dads, listening to our students read, helping in the canteen, coaching a sporting team, assisting a teacher with a group activity or sharing their particular skill or talent with our students. In an era when so many of us are unable to help due to work commitments, it is encouraging to see so many of you engaging in our students’ education. Your work does not go unnoticed and the morning tea is just one way we can offer our thanks to the many who give their time so freely. On behalf of all the staff at EBPS, thank you - thank you - thank you!

News from BWSC

Mr Brent Walker, the Principal of Brisbane Water Secondary College – Umina Campus, contacted the school to inform us that one of our ex-students, Shaylan Petersen, was successfully elected as School Captain for 2016. Shaylan follows in the footsteps of many previously elected leaders at BWSC who have also been ex-students of EBPS. Congratulations Shaylan!

EBPS Student Leaders 2016

Our own Year 5 Student Leadership Team candidates delivered their speeches last Friday. It was great to see so many of our students deliver thoughtful and mature speeches. Whilst my congratulations and thanks go to all candidates, unfortunately, not everyone can be given the opportunity to lead and, as in any contest, there are those who are successful and those who are not. I urge any candidate who missed out on a position on the 2016 Student Leadership Team to not give up and suggest that they continue to look for other leadership opportunities as they arise next year. Our 2016 leaders will be announced at our Presentation Day Ceremony on Monday of next week.

The Sports House Captain speeches were held today and the names of the successful candidates will be announced at the Sports Presentation Ceremony on Tuesday of next week.

School Band

Our school concert band travelled to the Umina Peninsula Village facility last Wednesday to perform some Christmas songs. The band students performed there earlier this year and were so well received, they were asked to return to play again. One of the highlights of the afternoon was when Alfie, who recently turned 110, joined the audience. The band students managed to spend some time with Alfie and chat for a while before heading back to school. Thank you to Umina Peninsula Village for transporting our students in their mini bus and to Mrs Hickey for organising the excursion. The band students welcome the opportunity to play whenever they can and enjoy performing as much as the audience enjoys listening.

Creative and Performing Arts

Below are some photos from yesterday’s Creative and Performing Arts afternoon. All students were highly entertained with performances from the junior and senior choir, the training and the concert band, recorder group, the debating team, and the Stage 3 and Stage 2 dance groups. The afternoon was a great way to showcase the many talents of our students. Thank you Ms Murdoch and Mrs Davis for coordinating the afternoon.
School Reports
The Semester 2 school reports will be sent home with your child on Monday 7th December. Please take some time to sit with your child to read the report together and reflect on the last semester. My thanks go to all staff for the time and consideration they have given to preparing the reports. If you require clarification in regard to your child’s report, please do not hesitate in contacting your child’s classroom teacher.

Presentation Day – Monday 7th December, 9.30am - 3.6, 11.30am K-2
I look forward to next week’s Presentation Day and Sports Presentation Day assemblies as they provide us with an opportunity to acknowledge student achievement from over the year. I hope that you can join with us on these two days of celebration as we present some major awards, summarise our achievements and announce the make-up of next year’s Student Leadership Team.

Reminder: 2016 School Planning/Enrolment
At this time of year extensive planning is being undertaken for the following school year. If you know that your family are planning on leaving our school next year or one of your children will not be continuing at EBPS, could you please notify the office as soon as possible to assist with this process.

BWSC Science Day – Student report
On the 30th of November, 2015 it was Year 5 Science Day. The science teachers from BWSC along with some of their students helped us do some fascinating experiments such as; learning about a sheep heart, discovering how static electricity really works and using a microscope. On behalf of Year 5 we would like to thank all of the teachers and students that gave up their time to teach us about these amazing topics.
Seanna H and Isabelle E

Important Dates for End-of year celebrations

Wishing Tree
Once again, our Christmas tree is located in the office foyer, we would love to see many donations of gifts under our tree so we can help underprivileged children in our area.
If you would like to make a donation please wrap your gift and label it Boy / Girl and the age the gift is appropriate for e.g. Boy 9 -10 years.
We thank you in anticipation of your generosity.

Become an Ethics Teacher at Empire Bay Public School

We currently have ethics classes for K-6. Ethics classes teach children how to approach ethical issues and develop their capacity for considered moral judgment, which will enable them to respond more thoughtfully to many of the problems and issues they will face in their lives.

http://www.primaryethics.com.au or contact Jenni Bourchier, Regional Manager - Gosford Region, Primary Ethics for more information: gosford-region@primaryethics.com.au or call her on 0411 198 483. We need an additional volunteer for an Ethics Teacher within the school. Members of the school community are encouraged to apply.
