Student Learning Journals

Dear Parents,

The student learning journals that will be used this year will arrive soon. They will be used to complement teaching programs put into place by the teachers and have been specifically chosen to meet the needs of the students. We would like to begin to use these learning journals as soon as possible and request that payment is made by the end of Week 3, 11/2/2011.

Please send payment in an envelope clearly labeled with your child’s name, class and amount enclosed. Payment can also be made at the office. If paying by cheque please make the cheque payable to Empire Bay Public School.

As different combinations of learning journals have been chosen for each grade the amount required varies from grade to grade as set out below.

Should this amount be difficult for you to pay upfront, please contact Mrs McEvoy to arrange a payment schedule.
